## Product description

The **STORM** automatic male mouth-shaped masturbator from the **JAMYJOB** brand is an innovative and stylish device, designed to provide a high-quality, stimulating and pleasurable experience. Featuring a black and red design and red details, this masturbator combines aesthetics and functionality in a single product.

**FEATURES:**

- **Modern design:** Predominantly black, with red details that add a bold and striking touch. This sober and elegant look makes it visually attractive and discreet.
- **High quality materials:** The interior is Made of transparent silicone, a soft, safe and pleasant texture to the touch that guarantees a realistic and comfortable experience, adjusting perfectly to different sizes.
- **Powerful motor:** Equipped with a powerful motor that guarantees solid and constant performance, providing intense stimulation during use.
- **10 rotation modes and 10 thrust modes:** The **STORM** has ten different thrust modes, designed to adapt to the preferences of each user, from soft and constant rhythms to faster and more intense stimulation.
- **Level control:** The user can easily adjust the intensity and speed levels according to their preference, which that allows you to customize the experience precisely.
- **Strong Suction System:** This masturbator incorporates a strong suction function that complements the thrusting motion, providing an enveloping and stimulating sensation.
- **USB Rechargeable:** The **STORM** is fully rechargeable via a USB port, making it easy to use without the need for disposable batteries and offering the advantage of being portable and economical in the long run.
- **Easy to Clean:** The masturbator is designed to be Designed to be easy to disassemble and clean, ensuring optimal hygiene after each use, which prolongs its durability and maintains user safety.
- **Free of phthalates and ABS material.**
- **Waterproof**: You can use this masturbator in your most intimate moments...

This device is ideal for those looking for a reliable, efficient and elegant product, which offers a personalized and pleasurable experience.

**MATERIAL AND CARE**

**Jamyjob** is a waterproof toy made of silky soft medical silicone, which is extremely slippery and absorbs your body heat quickly. The toy can be easily cleaned with a little soap under warm water. With a little disinfectant toy cleaner, you can ensure particularly thorough hygiene afterwards - ideally with the perfectly coordinated disinfection spray from Waterfeel. For maximum pleasure, always use your toy with one of Waterfeel's water-based lubricants that are perfectly matched to the product. They are available in classic, silky and warm versions. The vegan, water-based composition protects the material and

keeps the surface of your toy nice and smooth.
