#### MATERIAL AND CARE

**Jamyjob** is a waterproof toy made of silky soft medical silicone, which is extremely slippery and absorbs your body heat quickly. The toy can be easily cleaned with a little soap under warm water. With a little disinfectant toy cleaner, you can ensure particularly thorough hygiene afterwards - ideally with the perfectly coordinated disinfection spray from Waterfeel. For maximum pleasure, always use your toy with one of Waterfeel's water-based lubricants that are perfectly matched to the product. They are available in classic, silky and warm versions. The vegan, water-based composition protects the material and
