Product description

A sensual fragrance that will create the atmosphere for the most intimate body massage. Ylang ylang has been used for aphrodisiac purposes for millennia, while mandarin orange adds a juicy undertone that will leave your skin smelling enticing and irresistible.

Let the candle melt for fifteen minutes until the wax has melted on the outer edges of the glass. You can then pour the wax directly onto your skin or let it cool for a couple of minutes for more sensitive tastes. Dip into the puddle of warm liquid wax and spray onto skin for an even softer feel.

The nutrient-rich soy and essential oils contained in these body massage candles will soften, hydrate and rejuvenate your skin leaving it lightly scented and hydrated.
