Product description

Small, sensual, beautifully powerful: MiMi is the perfect toy for clitoral stimulation, for a first-time or an every-time vibration experience. A compact gem that offers a range of vibration speeds and patterns, from subtle to intense, MiMi is a versatile bedroom treasure, to enjoy with a partner, or keep to yourself.

How to enjoy

With five vibration levels and patterns, from gentle to powerful, Mimi is truly versatile: try a subtle setting to tease and caress, or more intense vibrations if you like a powerful buzz. MiMi feels great on the clitoris, and any other area that tickles your fancy – and his – from your nipples to his perineum and anywhere in between. Smooth and soft, MiMi glides across the skin, making it perfect for an all-over body massage with a difference. For a lighter touch, you can also try gently transferring Mimi’s vibrations through your fingertips, by cradling it in your hand and stroking the skin with your fingers. Don’t forget the lube! Je Joue advises using water-based lubrication with all our toys, for a perfectly smooth experience.
