CONTENT

Mimi Vibrator

Mimi feels great on the clitoris and any other area that tickles your fancy, from your nipples to his perineum and anywhere in-between. Smooth and soft, Mimi glides across the skin, making it perfect for a body massage with a difference. For a lighter touch, you can also try transferring Mimi's vibrations through your fingertips, by cradling it in your hand and stroking the skin with your fingers. Use the tip to provide pinpoint stimulation to the clitoris. Use the side to stimulate the labia and the clitoris at the same time. Use the flat side of Mimi to provide a wider stimulation of the whole genital area.

Massage Candle

Light the candle and let it burn for 15 minutes until a pool of wax has formed. You can then choose to let the wax cool for a few minutes after blowing out the flame or pour directly onto the skin for a more intense sensation. The wax will be warm but not hot enough to burn the skin. Work the melted wax into the skin until it forms a beautifully scented oil. Massage your partner's shoulders, back, buttocks, thighs, chest, or all over their body. Our candles are made from 100% soybean wax, rich in vitamin E and natural essential oils.

Satin Blindfold & Restraint

This gentle satin tie will add a sultry yet decadent atmosphere to your soft bondage play. Heighten all your lover's senses by covering their eyes with this black satin blindfold from Je Joue. The soft satin will feel luxurious and sensual next to the skin, and by taking away their sense of sight you can leave them in suspense, waiting for every touch and whisper.

Alternatively, tie up your playmate in a naughty, little bow and have them begging for more! Whether tied to the bed, furniture, or bound at the wrists and ankles, your naughty submissive will be powerless to the pleasure. For an explosive sensory journey, use the satin tie and massage candle together to ignite their senses and deepen the bond between you.

Truth or Dare Intimate Card Game

This is not your average Truth or Dare game. Build intimacy, trust, and love with your partner by playing Je Joue’s intimate Truth or Dare card game. The Dare cards will have you exploring each other’s bodies in new ways, discovering new sensations, and deepening your understanding of each other’s pleasure points. The Truth cards will have you sharing memories, dreams, ideas, and opinions. We guarantee you’ll learn something new about your lover that will enhance the bond between you and leave you both feeling closer than ever.
