CONTENT

G-Spot Bullet

This is the perfect toy for those who want everything. Perfectly curved to access the G-spot, the curve also follows the contour of your body externally for intense clitoral orgasms. Included is a finger sleeve attachment for those who prefer skin-to-skin contact and a hands-free experience. This toy is perfect for both internal and external vibrations. If you're unsure about which type of toy you're looking for, this is the toy for you. It's small and cute, so perfect for first-timers.

Ami 3-Step Kegel Ball Set

The world's first progressive Kegel training system, Ami has been designed in collaboration with gynaecologists and midwives to be the perfect shape, size, and weight for building pelvic floor strength. A stronger PC muscle leads to more frequent and powerful orgasms, as well as a whole host of other health benefits! The loose balls inside Ami are free to move around and cause gentle vibrations while you wear them – this doesn't just tone your muscles, but also feels damn good too!

Massage Candle

Light the candle and let it burn for 15 minutes until a pool of wax has formed. You can then choose to let the wax cool for a few minutes after blowing out the flame or pour directly onto the skin for a more intense sensation. The wax will be warm but not hot enough to burn the skin. Work the melted wax into the skin until it forms a beautifully scented oil. Massage your partner's shoulders, back, buttocks, thighs, chest, or all over their body. Our candles are made from 100% soybean wax, rich in vitamin E and natural essential oils.

Box of Treats

Treat the one you love to these thoughtful little favour cards to show them exactly just how much you care. It's the small everyday things that make life beautiful, and this little box of loveliness will help your partner to feel more supported, appreciated, and cared about. Included are the following treat cards, excluding two blank cards for you to write personal

treats that are significant to your relationship:

- Favourite breakfast in bed
- Run me a romantic bubble bath complete with a shoulder massage
- Find a tantric massage course for us to take together
- A three-course meal cooked by you
- I win this argument
- Leave 10 love notes around the house for me to find
- One hour of quality no-phone time together each day for one week

FEATURES

Our **G-spot Bullet** is designed with a motor set to a low frequency to give our signature Je Joue oh-so-low rumbling vibrations. With 5 speeds and 7 patterns, the G-spot Bullet offers a wide range of vibrations – from a gentle purr to a deep rumble.
