Product description

Kamasutra's Oil of Love will make you experience foreplay in a different way. Water-based and with an intense flavor, you can use it to play with your partner, you just have to apply it with its dispenser to the erogenous zones. Apply a little on your lips, ears, neck, wrists, thighs or breasts and when you blow, your partner will notice a pleasant sensation of heat. Finally, kiss the area and enjoy the pleasure that you will provide to your partner while you enjoy an intense flavor.
