Producer code	FETISHID-215307
EAN	739122120036

Product description

Kamasutra's Oil of Love will make you experience foreplay in a different way. Water-based and with an intense flavor, you can use it to play with your partner, you just have to apply it with its dispenser to the erogenous zones. Apply a little on your lips, ears, neck, wrists, thighs or breasts and when you blow, your partner will notice a pleasant sensation of heat. Finally, kiss the area and enjoy the pleasure that you will provide to your partner while you enjoy an intense flavor.

Characteristics.

- Flavor: Raspberry
- This is not a massage oil or lubricant but a "kissable oil"
- Preliminary special
- Sensation of heat on the skin
- Not stain
- Applicator included
- Quantity: 22ml

Ingredients: Glycerin, propylene glycol, water, flavor, saccharin, Red 40 (CI16035), blue 1 (CI42090) and caramel

Apply, blow and kiss!

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
