Product description

Artistic skills come into play and are put to the test in The Arts of Insanity. It's the filthy adult party game truly in a category of its own. Character and action cards merge together and form hilarious combinations which players then must get their teammates to guess. The tricky part? Players can only describe, act, draw, or mime the scenarios for their teammates. The more difficult the method, the more points a team will get. Hours of endless fun!
