Product description

Enjoy outrageous truth questions, challenges and drinking assignments with the hilarious fast-paced drinking game! Players quickly turn over cards in an effort to match boobs, erections, or butts cards with other players. When you win cards, you can also assign truths, dares, and drink assignments! The winner is the last player left with cards.

Game Guide

How to Choose a Couples Game

Consider your relationship stage and openness. Romantic games focus on conversation and connection. Spicier games include physical challenges and intimate tasks. Many games have multiple difficulty levels.
