Product description

Take your masturbation game to the next level with the FeelSensation stroker. Made from a soft, skin-like material with a sleek, non-anatomical entrance to experience the most realistic blowjobs imaginable when paired with the Keon Automatic Masturbator or PowerBlow Suction Device

This non-anatomical stroker was designed to improve your performance. The FeelSensation has a narrower entry than most Kiiroo Fee Strokers, making for a pretty intense ride when combined with the bumps and bumps inside the tunnel. Combine the FeelSensation Stroker with the Keon Automatic Masturbator or the PowerBlow Suction Device for the best combination of sensations.
