Product description

Beautiful Latina star Victoria June is one of the adult industry's brightest stars, thanks to her scorching performances that turn heads from the moment she appears on screen.

The petite (5'3") brunette star from Brooklyn, New York, of Dominican and Puerto Rican descent, made her adult film debut in 2017 and hasn't stopped working, much to the delight of her more than 600,000 devoted fans. the social networks that follow her every movement

The FeelVictoria Stroker was molded from Victoria's intimate parts of her, to bring her fans closer than ever to being able to feel her.

The FeelVictoria Stroker was designed for use with Keon, Kiiroo's flagship masturbator that will bring fans closer than ever to feeling what it's like to be with Victoria.

Keon from Kiiroo

Kiiroo has set a new standard in adult interactive pleasure with Keon; the smartest interactive masturbator on the market today

Keon is an automatic masturbator compatible with more than 20 different masturbators. Our line includes 4 generic strokers with 4 different skin tone colors and the Feel Stars Stroker Collection, a carefully curated collection of strokers molded from some of the world's most famous adult entertainers and content creators.

Keon makes the stroker go up and down. It is the closest experience to real intimacy.

Keon has 2 modes: Bluetooth mode (controlled via app) and manual mode

With the buttons on the right you can control the speed of the strokes, and the length of the strokes is controlled with the buttons on the left.

On the shortest and fastest setting, Keon can reach up to 230 strokes per minute

There are a number of different accessories available to purchase separately that give users more ways to enjoy using Keon. These accessories include a hand strap, a phone holder, and a neck strap. More accessories will come out in the future.

Feelconnect App Features:

Available on Google Play and Apple Store.

Feel your lover.

In addition to the ability to take control of your partner's products remotely, users can also pair their products to feel each other in real time, no matter how far away they are.

Feel the webcam.

Kiiroo's webcam feature allows webcam models to sync their toys with webcam platforms and receive tips for giving control of their toys to fans who are watching them. The webcam business is growing and there is a huge demand for this interactive technology among artists.

Feel videos.

Keon's thrusting sensations synchronized with the movements you see on the screen will make you feel like you are right there in the scene.

Feel the virtual reality.

With virtual reality glasses and our toys, you can experience high-quality adult videos filmed in 180 and 360 degrees with stereoscopic 3D views or even play a virtual reality porn game.
