Product description

Keon WiFi with FeelStroker: Interactive, Fully Synchronized Pleasure
Discover next-level stimulation with Keon WiFi and the original Kiiroo FeelStroker: a powerful combination designed to sync in real-time with virtual reality, adult videos, and webcam interactions. Keon WiFis ergonomic design and advanced connectivity deliver powerful, automatic movements that stay in perfect rhythm with your favorite content. The FeelStroker amplifies every movement with a soft silicone tunnel and large stimulating nubs, created to intensify sensation and immerse you in pleasure.

Uninterrupted Pleasure - Designed for smooth, responsive pleasure, Keon WiFi syncs in real-time with your favorite content, cam shows, and connected partners. Sync your movements with 2D content on over 200 adult sites on FeelMe AI www.FeelMe.com, connect directly to interactive webcams, or link up with your partner via the FeelConnect app for immersive intimacy, no matter the distance.

Its not your ordinary masturbator - This realistic masturbator features a smooth, body-safe silicone tunnel with large stimulating nubs and detailed entry for ultimate realism. Use it with Keon WiFi to sync every movement with your favorite adult scenes for deep, immersive satisfaction.

Wi-Fi and Bluetooth enabled - Keon WiFi provides connectivity Wi-Fi and Bluetooth for more reliable synchronization and smoother performance in interactive videos, games, and live content. With real-time response, it provides uninterrupted, immersive pleasure thats more synchronized than ever.
