GLOW

This spectacular plug can capture any spotlight with its diamond-like LED light. Whether you're performing, flying solo, or having an intimate night with your partner, the Lumen can provide visual feedback to turn anyone on, even yourself. Together, we can turn your bedroom into your stage. Illuminate the possibilities!

PUT YOUR VIBRATION ON

Lumen offers discreet play with its long-distance control, for on-the-go pleasure. Connect through the OhMiBod Remote™ app and let the games begin! With OhMiBod's Club Vibe® mode for music-driven pulsations, adapting to ambient sounds like your playlist or the sound of your partner's voice. For an old school experience, turn on one of our 4 pulse manual modes and let the Lumen hit the right places. Choose your mode and find your light point

INTERACTIVE GAME

Take your pleasure to the next level by connecting to any Kiiroo® interactive product. With Kiiroo's FeelConnect app, you can create a connection between devices from anywhere. The paired kiiroo® device can boost interaction with the Lumen, expanding your game by creating a truly interactive experience. Synchronize and share the passion!
