Product description

Pleasure on your terms. Small enough to take anywhere, discreet enough to go unnoticed, and completely waterproof, the **PowerShot** male vibrator fits into your life without missing a beat. **PowerShot**'s soft silicone body is squeezable, letting you control the pressure for a more personalized sensation, no matter your size. The PowerShot's step-through design allows it to slide through the masturbator sleeve so the dual motors deliver intense vibrations to every inch.

- Compact Design: A discreet fit in your hand, purse, or drawer, PowerShot proves that great things come in small packages.
- Independent Motors: Two powerful motors work independently or in sync, giving you layered intensity exactly where you want it.
- App Integration: Connect to the FeelConnect app to enjoy effortless control, customized modes, and shared pleasure, wherever you are.
- Very active: **PowerShot** is Designed for life on the go: This pocket-sized male vibrator weighs just 270g, making it the perfect travel companion.
- Under the radar: With its compact design and discreet carrying case, **PowerShot** slips into place as a mini speaker on your nightstand, keeping your privacy intact.
- In the water: With an IPX7 rating, **PowerShot** is completely waterproof: take it from the shower to the bath for uninterrupted, submersible pleasure.

Smarter stamina training
