### Product description

Clearly the best! Created to heighten your pleasure experience, this specially crafted formula is virtually odorless, non-sticky, and easy to clean. **King Cock Clear** combines a translucent dildo with a realistic cock design. The luminous clarity and lifelike form will fulfill all your fantasies!

With its flexible shaft, detailed veins, and defined head, **King Cock Clear** will engage your senses visually and physically. The powerful suction cup base sticks to nearly any flat surface and makes every dildo harness compatible. See the Innovation, an incredibly pure and translucent, material feel the realism

Made in Pipedream's state-of-the-art rubber manufacturing facility, each King Cock is phthalate- and latex-free, body-safe, and hypoallergenic.

For the past 20 years, **Pipedream Products** has created and developed some of the best-selling novelty products in the world. These products include realistic toys and vibrations, but also a wide range of gags, lotions, fetish items and gifts. Pipedream is an American brand founded in 1973, which does not need many introductions, with more than 40 years in the erotic toys sector, currently it is the largest manufacturer of erotic products in the world, occupying not only first place in manufacturing but also in sales, with headquarters in California. Pioneers in marketing BDSM products, in fact they are the number 1 brand in sales of products for the introduction to Bondage. Pipedream encompasses more than 35 erotic brands and has accumulated more than 70 awards for its quality and innovation.
