Product description

Not all uncut cocks are created equal! This King Cock fulfills your fantasies with a lifelike movable foreskin that slides back—just like a real uncut cock!

The flexible shaft and foreskin are exquisitely handcrafted to provide incredibly stimulating sensations. The powerful suction cup base sticks to nearly any flat surface and makes every dildo harness compatible.

Using our proprietary dual-density Slide-Skin™ formula, we've created the first ever latex-free, American-made uncut dildo with retractable foreskin! Like all King Cocks, the new Uncut series features the same handcrafted attention to detail that make these dildos the most realistic, lifelike cocks in the world! Made in Pipedream's state-of-the-art rubber manufacturing facility, every King Cock is phthalate-free, latex-free, body-safe, and hypoallergenic. Best of all, King Cock is proudly made in the USA so you can enjoy every masterpiece with confidence.
