Product description

Elevate your style with a touch of classic sensuality thanks to the Stay Up Lace Top, fishnet stockings designed to enhance your legs with a sophisticated and feminine finish. Made with a composition of 79% polyamide, 16% elastane, and 5% polyester, these stockings combine elasticity, softness, and durability, offering a comfortable fit that hugs the silhouette without losing its shape.

Their most distinctive feature is the charming floral lace top, which adds a romantic and seductive flair. Integrated on the inside, the silicone band ensures a secure, non-slip hold, allowing the stockings to stay in place even during long periods of wear, without the need for a garter belt. This blend of design and functionality makes the Stay Up Lace Top a versatile piece, perfect for intimate outfits as well as evening looks where you want to show off your legs with confidence.

The fishnet structure adds a bold and modern style, playing with transparency to create a striking, visually flattering effect. Whether for a special occasion, an elegant date, or simply to feel powerful and feminine, these stockings are the perfect accessory to add personality, comfort, and a touch of glamour to your wardrobe.
