Product description

Crotchless stockings with fishnet straps are a daring and provocative variant of erotic lingerie. These stockings are usually made of a mesh or mesh of fine, elastic fabric that covers the legs up to the thigh. Unlike traditional stockings, these have no crotch, which makes them even more sensual and revealing.

Straps, also known as garters, are used to attach stockings to the waist or a garter belt. These straps can be adjustable to fit different sizes and body styles.

FEATURES:

- One size
- Composition: 100% nylon
- This item has a lot of elasticity.
- Color: White

Leg Avenue has the products you were looking for, committing to offer customers innovative products, competitive prices and great satisfaction, fresh from the most Los Angeles fashion. Nobody makes it sexier!!
