Product description

Lelo's Antibacterial Cleaning Spray contains active anti-microbial ingredients proven to kill 99.9% of all germs, while the addition of zinc salts reduces any chance of irritation.

Containing additional anti-viral and anti-fungal properties within a pH balanced formula, this easy-on spray is the safest and most effective choice for all your toy cleaning needs.

Directions: spray surface of the toy, leave for 5 seconds and then wipe clean with a lint-free cloth or towel. Body-safe formula means no need to rinse with water. Suitable for use with silicone, rubber and latex toys. Avoid contact with eyes and do not swallow.

Hygiene Guide

Hygiene Guide

Use warm water and a small amount of wash. Rinse thoroughly. Pat dry (don't rub).

Over-washing can disrupt natural bacteria. Once daily is sufficient.
