Product description

INFINITE PLEASURE

LELO DOT is an elliptical clitoral stimulator that uses Infinite Loop technology to introduce a revolutionary movement: figure-eight oscillation with a constant rhythm. It's ideal for those looking to try something new, eager to get busy exploring new orgasmic avenues. Different pleasure patterns with different intensities packed within its innovative shape make LELO DOT perfect for exciting solo or partner play without intrusions. It allows for a versatile approach to self-pleasure, allowing you to stimulate different erogenous zones with a single device.

SPECIAL FEATURES

Developed by LELO for LELO DOT, Infinite Loop technology puts a new spin on everyday vibrations used by personal massagers. It uses elliptical oscillation to provide a new type of stimulation - a sensation unlike any other experience. Its strength and intensity are intuitive and based on your own pressure applied according to your body's needs. A figure-eight motion that moves at a steady pace with amazing power provides a new type of orgasm that feels much stronger and more focused on your pleasure points.

- 8 POWERFUL PLEASURE PROGRAMS

LELO DOT offers eight different vibration patterns, ranging in intensity from a teasing murmur to a satisfying pulse.

- EXTRA SOFT SILICONE

Ultra-soft premium silicone that feels warm to the touch, allowing for hygienic and deeply satisfying pleasure.

- RECHARGEABLE BY USB AND COMPLETELY WATERPROOF ACCORDING TO IPX7 STANDARD

Enjoy unlimited climaxes anytime, anywhere, including the bath or shower.

HOW TO USE

- Before first use, charge your LELO DOT for 2 hours.
- The interface of your LELO DOT may be blocked. Press and hold + and – for 3 seconds. Press and hold the button (0) to turn it on.
- Press the button (0) to switch between 8 modes.
- Use the + and – buttons to increase or decrease the intensity.
- Press and hold the button (0) to turn it off.
