Product description

The pink Lelo Elise vibrator has a very harmonious design and a very exclusive finish, in line with all Lelo products. The Scandinavian vibrator manufacturer can boast of having a unique brand profile, and worldwide recognition earned with the sophistication and glamor that it imprints on each of its creations, inspired by the fashion and beauty industry.

Its multiple functions and advanced features, typical of a luxury vibrator, give it infinite possibilities of use, it has all the necessary features to provide an extremely pleasant experience.

Made with medical grade silicone, a material especially suitable for the manufacture of erotic toys due to its maximum compatibility. It is more hygienic due to its non-porous surface, making cleaning and maintenance easier, with maximum durability and a pleasant touch, soft as silk.

Lelo Elise 2 is a very stylized vibrator, with delicately rounded shapes, with an anatomical, slightly curved body, designed to stimulate all erogenous zones. It is comfortable to hold, offering a good grip and simple access to the control buttons that will allow us to adjust all its options.

Two independent vibrating devices located at the base and at the tip of the Lelo Elise are responsible for generating all its power with minimal noise, and can be combined or alternated as convenient. We can also adjust the vibration speed to our liking and we have 5 pre-programmed patterns that will make you intensely enjoy an experience of unrepeatable pleasure.

It does not need batteries, it works with a battery and includes its own charger. It has an autonomy of 4 hours of continuous use and a charge indicator.

Dimensions: 22 cm. long x 4.5 cm. diameter.

It is presented as a real gem, with a luxurious gift box in which you will also find the charger, instructions, warranty and bag to store or transport the vibrator.
