Price	**437.19 £**
Number	**87608303**
Producer code	**FETISHID-244659**
EAN	**7350075029479**

Product description

Introducing a spectacular new A-spot vibrator that offers you a completely new way to experience orgasms. The new DeepSonic™ technology focuses on the A-spot (that hard-to-find spot located slightly behind the G-spot) thanks to the unique sonic tip located in the insertable tail. The result is an intense A-spot orgasm, followed by a deep and incomparable emotional release. If that's not enough, **ENIGMA™ Double Sonic** stimulates the clitoris with sonic waves while vibrating to stimulate the G-spot.

The **ENIGMA™ Double Sonic** A-spot vibrator is the latest addition to the LELO ENIGMA™ range. With it, we introduce you to DeepSonic™ technology, which focuses on the often-neglected A-spot. It also features eight pleasure modes and two more exclusive app-control modes that you can use when you connect to the LELO app. Thanks to its special sonic tip, located in the insertable tail, ENIGMA™ Double Sonic stimulates a wider erogenous zone to reach the A-spot with its deep sonic waves and give you more intense vaginal orgasms. It also sends sonic waves to the clitoris, as well as vibrations to the G-spot.

DEEPSONIC™ TECHNOLOGY: The sonic waves reach much deeper, where no other sex toy can reach, and reach the powerful and orgasmic A-spot with ease.

SENSONIC™ TECHNOLOGY: Without making direct contact, the ENIGMA™ Double Sonic offers quick yet pleasurable clitoral stimulation for immense pleasure.

ERGONOMIC INTERNAL STIMULATOR: It features a special sonic tip on top that sends deep sonic waves to the A-spot for a totally new sensation, as well as vibrations to stimulate the G-spot.

CONNECTED TO THE APP: With the LELO app, you can unlock two exclusive modes: «FINISH ME OFF» and "OUT OF CONTROL", and experiment with controlling the motor independently.

FEATURES:

- ISO 3533 SAFETY GUARANTEE surrender to pleasure with toys manufactured according to the highest safety standards
- 8 MODES from gentle touches to very exciting pulses
- CONNECTED TO THE APP connect the device to configure your pleasure with the LELO app
- LONGER BATTERY LASTING longer pleasure time
- 100% WATERPROOF perfect for the Bath and Shower
- EXTRA SOFT SILICONE: High-quality silicone that feels silky to the touch

How does DeepSonic technology work?: **ENIGMA* Double Sonic** stimulates a wider erogenous zone and penetrates deeper, reaching the anterior fornix erogenous zone, also known as the A-spot. This spot, located a few centimeters behind the G-spot, is also known as the female prostate. When stimulated, it increases vaginal lubrication and the possibility of

reaching orgasm. **ENIGMA Double Sonic** features a special sonic tip at the top of the insertable tail that sends sonic waves to the A-spot. This way, it provides more intense vaginal orgasms and immersive pleasure for all body types.

PRODUCT DETAILS:

- Materials: Biocompatible silicone and ABS plastic
- Finish: Smooth
- Size: 107 x 50 x 183 mm
- Insertable length: 140 mm
- Weight: 195 g
- Battery: Lithium-ion 520 mAh 3.7 V
- Charging: Up to 2 hours at 5.0 V 500 mA
- Rated power:
    - Input: 5 V 2.6 W
    - Output: 3.7 V 1.8 W
- Usage time: Up to 2 hours
- Standby time: 90 days
- Frequency: 64 Hz / 103 Hz
- Off: Automatically shuts off after 20 minutes
- Max. Noise level: <63 dB
- Interface: 3 buttons
