Product description

It's time to immerse yourself in unparalleled pleasure with the F2STM male massager and masturbator. It features flexible liquid silicone ridges that easily adapt to your every move, while its two open ends ensure uninterrupted pleasure. Users can unlock two exclusive modes and use the new «Love Bridge» feature in the
LELO app to discreetly connect with your partners in real time when you're not together.

The product has eight modes, but with the **LELO** app, you can unlock two more.

8 POWERFUL PLEASURE MODES

CONNECTS TO THE APP

Unlock two additional modes («Finish Me O» and «Out Of Control») or use the «Love Bridge» feature in the **LELOTM** app to stay connected to your partner when you're apart.

SELF-ADJUSTING LIQUID SILICONE STRETCHES

New silicone ridges allow for airflow. This prevents air pockets from forming while providing an extra boost of stimulation. This realistic-feel material exemplifies softness, elasticity, and durability.

LIQUID SILICONE

This realistic-feel material exemplifies softness, elasticity, and durability. Not only does it adapt to your needs, it enhances your experience.

OPEN AT BOTH ENDS AND WITH AN EXCLUSIVE DUAL MOTOR DESIGN

The F2STM offers unlimited pleasure thanks to its open-ended design, which eliminates any kind of noise. Both its dual motors and modes adapt to the user's caresses, while the vibrations provide a sensation of movement.
