Product description

The world's best-selling G-spot vibrator

GIGI™ 2 is the upgraded version of LELO's popular G-spot vibrator – possibly the best-reviewed Pleasure Object ever created.

Its distinctive flat tip is perfect for exploring this erogenous zone. Now with even softer silicone, a fully submersible design and twice the power.

- Without giving up its discretion and elegance, the 8 different vibration patterns will take you on the path to ecstasy, to enjoy indescribable intensities of pleasure.

GIGI™ 2 is the ultimate when it comes to giving pleasure, as its specialty is the G-spot, the source of some of the most glorious sensations a woman can experience.

GIGI™ 2 is the ideal gift to enjoy alone or as a couple: its lucky owners know what it means to melt into pure ecstasy, reaching that point where the pleasure is impossible to describe.

As with all LELO pleasure objects, GIGI™ 2 is designed to provide intense physical joy and absolute spiritual peace in any situation and under any circumstance.

Made from FDA-approved, phthalate-free PC-ABS/silicone plastic, GIGI™ 2 provides 4 hours of virtually silent vibrations after a charge time of just 2 hours.

Speed and intensity are easily regulated using an intuitive control dial, and both functions can be completely locked to ensure discreet transportation of the object at all times.

Additionally, GIGI™ 2 comes in an elegant gift box containing a luxurious satin pouch for storage, plus a charger, user manual and full 1-year LELO warranty.
