Product description

We've redesigned the shape of our latest G-spot vibrator, the **GIGI™ 3**, to fit perfectly and offer unrivaled customization and control. The newest model features a smooth silicone exterior, ensuring a comfortable experience as well as greater control over its multiple pleasure modes. From the **LELO** app, you can access two additional modes and customize your user experience. It's time to discover precise G-spot stimulation and different, exciting sensations with the new **GIGI™ 3**.

GIGI™ GIGI™ 3 is compatible with the LELO app, allowing users to unlock more pleasure modes and experiment with different intensities to find their sweet spot. As well as giving you a wider range of options when playing with your GIGI™ 3, the LELO app provides you with many other benefits. It is a multi-functional sexual wellness platform dedicated to human sexuality. It features over 4,000 articles, vivid erotic literature and valuable relationship advice.

The product is set with a default auto-off time of 20 minutes, which can be easily adjusted through the app.
