Product description

SENSUAL INDEPENDENCE

IDA™ Wave is a massager connected to an application and with two separate motors that will allow you to reach orgasm gradually. The insertable part rotates and, thanks to WaveMotion™ technology, also simulates the movement of the fingers to bring you overwhelming pleasure to the G-Spot. The upper part is larger and provides exquisite vibrations on the clitoris.

- DOUBLE THE POWER Two motors with powerful vibrations that offer internal and external stimulation.
- GREATER RANGE OF INTENSITIES Experience different levels of satisfaction with 10 intense pleasure modes.
- APP CONTROLLED Connect and control your device via Bluetooth for more pleasure.
- WAVEMOTION™ TECHNOLOGY Enjoy a perfect finger massage to stimulate your G-Spot.

HOW TO USE TIANY™ HARMONY

* Before first use, charge your IDA™ Wave for 2 hours.

- HOW TO USE THE PRODUCT WITHOUT THE APP
  - Press the button to turn it on.
  - The LEDs will flash showing the battery charge level.
  - When the LEDs stop flashing, they will show the vibration level.
  - Press the button to change modes. They are set to 100% intensity.
  - Press the center button for 3 seconds to turn it off.
- HOW TO USE THE PRODUCT WITH THE APP
  - Press the center button for 3 seconds to turn it on while activating Bluetooth.
  - All LEDs will flash simultaneously to show that you are connecting with Bluetooth.
  - Open the TIANI™ Harmony app and, once you have received the confirmation message, press the center button to confirm.
  - When the LEDs shine without flickering, the device has been successfully connected.
  - In case the connection fails, the product will automatically turn off after 30 seconds.
  - Battery and vibration levels can be viewed in the app.
