Product description

The elegant medium-sized vibrator with iconic design

LIV™ 2 is the new and improved version of LELO's iconic medium-sized vibrator, which provides the most intense and satisfying sensations with a very soft and sensual touch.

The upgraded version of this LELO best-seller now offers double the vibration power, is fully waterproof, and made from even softer body-safe silicone.

Its 8 patterns of powerful vibration and easy control ensure you an ideal partner for pleasure, while its wonderful silhouette is designed to perfectly adapt to a woman's curves.

LIV™ 2 is a true icon among LELO pleasure objects: an elegant medium-sized vibrator that gives long and intense sensations of pleasure with its delicate, and not so delicate, touch.

Appearances can be deceiving, and in the case of LIV™ 2, its minimalist shapes only increase the possibilities of exploring new sensations.

LIV™ 2 is also designed for couples games, and its beautiful design adapts perfectly to the curves of the female body.

If you give it to yourself, or if you give it to someone, remember: LIV™ 2 opens a world of immense and unsuspected pleasures to those who dare to try it.

As with all LELO pleasure objects, LIV™ 2 is designed to provide intense physical joy and absolute spiritual peace in any situation and under any circumstance.

Made from FDA-approved, phthalate-free PC-ABS plastic/silicone, LIV™ 2 provides 4 hours of virtually silent vibrations after a charge time of just 2 hours. Speed and intensity are easily regulated using an intuitive control dial, and both functions can be completely locked to ensure discreet transportation of the object at all times.

Additionally, LIV™ 2 comes in an elegant gift box containing a luxurious satin pouch for storage, plus a charger, user manual and full 1-year LELO warranty.
