Product description

The World's Most Advanced Oval Shaped Massager with Remote Control.

Lyla™ 2 is the most advanced oval-shaped massager in the world today, it can be used both externally and internally, and allows you to enjoy a wide variety of exciting sensations.

Featuring for the first time LELO's SenseMotion™ technology and a remote control with a range of up to 12 meters, the intense vibration modes are easily controlled with a simple tilt of the remote.

At the same time, a discreet motor inside the remote control will replicate the vibrations of Lyla™ 2 allowing you to feel in your hand the vibrations that your partner is experiencing. Amazingly quiet, 100% waterproof and rechargeable, and designed with soft and delicate silicone, Lyla™ 2 offers a wide range of possibilities in couples games.

The new Design edition includes some really interesting improvements such as:

- 50% more power, with less noise.
- Expanded remote control vibration range (x3).
- Intelligent memory chip to avoid interruptions in vibration caused by environmental interference.
- Possibility of controlling the vibration patterns with or without the remote control, from the toy itself.

Content:

- Lyla™ 2 Pink Pleasure Object.
- Remote control.
- Charger.
- 2 AAA batteries.
- Badge Brooch.
- Satin bag.
- 1 year LELO warranty
