### Product description

MIA 2 is the most desirable travel companion: an elegant and simple object, always ready to please you without warning.

Small, light, with its attractive lipstick appearance, MIA 2 is a discreet and modern vibrator to always carry with you and enjoy at any time.

And as usual when it comes to LELO, form and function come together to allow maximum control in its four different stimulation modes.

Additionally, for added convenience, MIA 2 can be recharged by connecting it to a USB port. Unique in its kind, MIA 2 is the perfect gift for those who are new to using vibrators alone or as a couple, but also for those people who delight in responding to a sudden impulse at the time and place they consider appropriate.

As with all LELO pleasure objects, MIA 2 is designed to provide intense physical joy and absolute spiritual peace in any situation and under any circumstance.

Made from FDA-approved, phthalate-free ABS/silicone plastic, MIA 2 provides 1.5 hours of virtually silent vibrations after a charge time of just 1 hour.

Speed and intensity are easily regulated via an intuitive control interface, and both functions can be completely locked to ensure discreet transportation of the object at all times.

Additionally, MIA 2 comes in an elegant gift box containing a luxurious satin pouch for storage, plus a USB charging extension cable, user manual and full 1-year LELO warranty.
