Product description

SONA™ 3 Cruise is a sonic clitoral stimulator featuring Cruise Control™ technology to ensure consistent intensity throughout use. It offers ten pleasure modes and the ability to change intensity levels with maximum comfort thanks to the new SmoothRise™ technology. Its ultra-soft silicone surface provides exceptional comfort during use, making it perfect for uninterrupted, intense pleasure.

For an even better experience, activate the LELO™ app to unlock two exclusive modes as well as the Love Bridge feature, designed for long-distance connections.

SONA™ 3 Cruise offers you:

- **SENSONIC™ AND CRUISE CONTROL™ TECHNOLOGIES**: SenSonic™ technology uses subtle sonic waves to stimulate the clitoris intensely without direct contact. Cruise Control™ technology automatically increases intensity when the device is pressed firmly against the body, ensuring controlled and consistent pleasure at all times.
- **SMOOTHRISE™ TECHNOLOGY**: A gradual transition between different intensity modes for maximum comfort.
- **APP CONNECTIVITY**: Unlock two additional modes (“Finish Me O” and “Out Of Control”) or use the Love Bridge feature in the LELO™ app to stay connected with your partner when you are apart.
- **ULTRA-SOFT SILICONE**: Surrender to exceptionally delicate, ultra-soft silicone that adapts to your body’s curves and mimics the natural softness of skin.
- **TWELVE POWERFUL PLEASURE MODES**: The device includes ten modes with different intensity levels, giving you maximum control over sensations. Connect to the LELO™ app to unlock two additional modes.
