Product description

The new sexual revolution. Liquid vibrating stimulating gel.

Apply what stimulates you on your skin! The creator of Liona by Moma Rose Atzesberger says "all the ingredients are respectful with the skin" we have managed to develop a unique product that stimulates the contact of the intimate areas causing an immediate effect. "There are many cosmetics for sexual health that enhance pleasure but with Liona by Moma we have achieved something special."

With as much offer in the market as you know recognize the best stimulants? There are no tricks to know the best sexual cosmetic, the sector of stimulating products for sexual health is huge, so we have developed a product that only by testing it in any area of the body you feel only 5% of what you will feel in contact with the intimate zone.

One of the most valued assets of the formulation along with others not less valued as the cymoopsis tetragonoloba gum and aloe barbadensis leaf juice. Certainly used in sexual relations enhances the immediate hydration of the vaginal mucosa not only feeling the obvious pleasure of our formula but the comfort in penetration.

- If we had to recommend a product of the three versions that we launched, it would be an error, because the three inspire a moment of stimulation according to the personal state of each one.

It is an elixir of liquid stimulation with magic effect of fast absorption that favors the sexual relation of quality.
The image of Liona by Moma is elegant and inspires beauty, we work with other cosmetic products in other sectors and Liona by Moma is a luxury that culminates our career, we are happy to offer a product that guarantees pleasure.
