Product description

Ambroise bodystocking is a proposition for women looking for the most seductive underwear. The sexy jumpsuit is made of flexible and transparent material. The upper part of the bodystocking attracts attention with its frivolous cutouts, round on the front and corset-like on the back. The delicate lace and mesh delights with its complexity, it is almost completely transparent on the breasts, then forms a diamond pattern on the belly and goes horizontally to the hips. The lower part of the underwear resembles a garter belt with garters. The mesh fits sensually on the legs, imitating fishnet stockings, which allows you to wear the bodystocking under a dress. No one except the person wearing the sexy jumpsuit will guess what treasures are hidden under the office suit. Erotic lingerie will make every woman feel beautiful and brave. In the bedroom, it will attractively emphasize a woman's figure, and thanks to the open crotch, there is no need to take off the bodystocking to fully use its potential. A playful black mesh and lace jumpsuit is a spicy alternative to traditional underwear.
