Product description

The **Anhela LC** model is an essential garment to enhance feminine sensuality. These body stockings, made of 90% polyamide and 10% elastane, offer a perfect fit that highlights curves without compromising comfort.

With a design that elongates the legs and a flexible material, the Anhela LC model is ideal for both special occasions and complementing a night outfit. The material blend ensures durability and a flattering fit, making them a sophisticated and sensual option.

Perfect to be discreet under clothing or to add a provocative touch to your style, the Anhela LC body stockings are a key piece in feminine lingerie.
