Product description

The sensual Apolipsa bodystocking is one of the elements of the LivCo Corsetti erotic lingerie collection. Its upper part is a subtly transparent mesh top with a single neck strap and an interesting lace pattern. This design additionally exposes the back, emphasizing the bust. The neckline itself is partially covered in the upper part, with a pattern and holes that awaken the senses.

The top is connected to fitted legs with four narrow double straps imitating garter belts, which emphasizes the eroticism of the bodystocking. The lower part of Apolipsa underwear resembles sexy stockings made of fine mesh, fishnet stockings. A repeated lace pattern and larger holes appear on the thighs. Then the pattern is uniform.

The mesh jumpsuit has no crotch and can be worn with or without any underwear. It is made of flexible, soft and figure-hugging black material, which ensures comfort and freedom of movement. There are no additional fasteners, so it is easy to put on. It is perfect as erotic underwear or for special occasions. It beautifully highlights your assets and fits people wearing sizes S to L. The set does not include thongs, they can be purchased separately.
