Product description

The Giellandra corset for the senses is a set of the luxurious Polish brand LivCo Corsetti Fashion, consisting of 2 elements - a corset and a thong. The underwear is in a classic black color. The corset is fastened with hooks, which allows adjustment and guarantees comfort. It is also possible to adjust the length of the straps and attach stockings, which will greatly diversify the styling. This is a perfect proposition for women who value comfort, but do not want to give up a sensual appearance. The underwear is made of 90% polyamide and 10% elastane. This combination of materials makes the outfit very flexible and does not restrict movement. The set includes decorative inserts made of durable lace that emphasize feminine shapes in all the most important places. The cut and binding on the belly make the corset sophisticated and at the same time leave room for imagination. An unusual element is a choker that will draw attention to the neck and collarbones. This sexy corset will certainly spice up many romantic evenings.
