Product description

A tiny, sensual bodysuit will ignite your imagination and turn the evening into an unforgettable experience. The **Luisina** bodysuit consists of a delicate lace bra and a thong with a charming rose motif. The thong and bra are connected with a tangle of straps that emphasizes the waist and feminine curves. A bra that partially reveals the breasts while slightly lifting them adds an incredible touch to the whole look. The cleverly arranged straps that flow down between the breasts to the thong optically stylize the figure. The practically exposed hips and shoulders, as well as the thong, are adorned with a lace bralette. Like the back and buttocks, which are decorated only with a thong strap and two straps, make it a daring proposition for her.

This bodysuit reveals more than it covers, but it is not vulgar. When you enter the bedroom wearing this outfit, you will be tempting and sensual, hot and provocative, like a fiery succubus with a touch of innocence.

The stretchy material 90% polyamide and 10% elastane makes the bodysuit pleasant to the touch and comfortable to wear. The adjustable drawstring at the neck and back makes it easy to adjust the bodysuit, so it is available in universal size S/L.
