Product description

The set consists of a bra, panties and a garter belt that will look great on both slim and slightly curvier figures. The cut of the set perfectly masks minor figure imperfections around the hips and belly. The bra delights with unusual straps and sensual lace, and thanks to the underwires, it effectively lifts the breasts and shapes them beautifully. In turn, the panties give a perfect shape to women's hips and ignite the senses thanks to subtle cutouts. The set is made of soft and flexible lace. The material is pleasant to the touch, stretchy and adheres well to the body. The lace does not scratch or restrict movements, allowing you to maintain complete freedom and comfort. The black material looks good on any skin tone and is completely universal, suitable for any occasion.
