Product description

The Mudienin model is a universal black bodysuit that will work not only in the bedroom, but also as part of an everyday outfit. The design uses sensual and feminine lace and smooth, subtly shiny material, which together guarantee an effect of chic and sensuality. The bodysuits have a classic cut with a cutout at the back. They reveal the buttocks while covering the bust area with subtle lace. The lace accent also appears on the back of the costume, which draws the eye to women's shoulder blades and arms.

Mudienin bodysuit is made of material containing elastane fibers. Thanks to them, the outfit adapts well to the shape of the body and is very comfortable to wear, and at the same time it does not fit tightly and does not restrict movement. Its advantage is a satin-smooth texture, extremely pleasant to the skin, and high-quality lace, which adds elegance to the whole. The bodysuit can be worn alone as a night outfit, but also as an element of styling. The model will look beautiful in combination with elegant trousers and a jacket.
