Product description

The black Palmenom set consists of two parts: a bra and panties. These two elements combined in one set look amazing and anyone who sees a woman in this set will fall to their knees. The underwear has a lace finish and its additional advantage are the straps around the torso. In areas where there is no black lace, there is a seductive, transparent black material. The Palmenom set will make every woman who wears it feel special. It's perfect to wear on a romantic evening for two, to celebrate a special occasion when you want to surprise your loved one or just to add a bit of spice.

The bra has an adjustable hook-and-eye closure and adjustable straps at the back, most of which are made of a strip of decorative lace. The belt with lace is also in the middle under the neck, which it wraps around.
