Product description

Equipped with Self Lubrication Technology, this perfect realistic vibrator does not need lubricant, you just need to add a little water to start lubrication in a second.

Love clone has an incredibly soft and silky touch, especially pleasant to the touch and when penetrating it incorporates a motor with incremental vibration, it is activated in the lower area of the vibrator and you can adjust the intensity that you like the most.

After use, you only need to clean it under water and apply a toy cleaner. We recommend the Waterfeel brand, which allows complete sterilization of this perfect vibrator with Self Lubrication Technology.

- Made of TPR and ABS motor
- Submersible
- Phthalate free
- Measures; 24.5 x 5.9cm

It uses two AA batteries, which you can find in the batteries not included section.
