Product description

The **Aqua Orgasm** Gel formula was developed to intensify sensations and intimate comfort.

Discover **Aqua Orgasm** Gel, an exclusive intimate cosmetic created for those looking to diversify and deepen their intimate moments. This product has been developed to provide delicate hydration and support for more intense sensations. Its light and silky formula can improve the comfort and sensitivity of intimate areas, promoting natural preparation for intimacy.

TECHNICAL SPECIFICATIONS:

- **Product Application:** Hydration and heightened sensations.
- **Ingredients**: Aqua Water, Glycerin, Hydroxyethylcellulose, Phenoxyethanol, Ethylhexylglycerin, Mentha Piperita Peppermint Oil, Limonene, Linalool, PEG-40 Hydrogenated Castor Oil, Lactic Acid.
- **Active Ingredients**
  - Aqua Water: The gels base ingredient, it provides lightness and freshness to the formula, ideal for sensitive intimate areas.
  - Mentha Piperita Peppermint Oil: Natural peppermint oil that provides a pleasant refreshing sensation, stimulates skin receptors, and increases sensitivity to touch. It subtly intensifies pleasure and provides freshness.
  - Glycerin: Promotes long-lasting skin hydration. Increases comfort and eliminates the feeling of dryness during sexual intercourse.
- **Instructions**: Apply a thin layer to the external intimate area. Provides the right level of hydration and care.
- **Safety Note: Store in a dry place, away from direct sunlight and out of reach of children. Product for external use. Avoid contact with eyes. If irritation occurs, discontinue use. Before first use, test the product on a small area of ??skin e.g., the inside of the forearm.**

MEDICA-GROUP

This is a company with extensive experience in the sale of dietary supplements and cosmetics, acquired since 1999. Our products meet all Polish and EU requirements, ensuring their highest quality and safety. We are known for using extracts with exceptional properties that distinguish our supplements and cosmetics from those of other companies. Thanks to our unique compositions and the highest concentrations of raw materials used, we can proudly say that our products are the best on the market.

Lube Guide

Water-Based Lube Guide

Water-based lubes can dry out during long sessions – reactivate with a few drops of water or saliva. They leave no stains and wash off easily with water.

Our selection includes hypoallergenic, pH-balanced, and organic options for sensitive skin.
