Product description

BiggerBust is an innovative dietary supplement developed specifically for women who want to improve the appearance and firmness of their breasts. Its formula is based on natural active ingredients whose properties promote increased breast volume, skin firming, and improved elasticity. Regular use and the action of its active ingredients can help achieve fuller, more defined breasts without the need for invasive methods.

BiggerBust capsules are a complex of natural ingredients that promote the natural process of breast enlargement by stimulating glandular tissue and improving skin elasticity. Thanks to plant extracts with phytoestrogenic properties, women can achieve strengthened skin.

TECHNICAL SPECIFICATIONS:

- **Product Application:** Natural firming and improvement of the appearance of the bust.
- **Ingredients**: hops, gelatin, red clover extract standardized to 8% isoflavones, buckwheat, soy, corn, barley, rye, apple fiber, bulking agent: microcrystalline cellulose, anti-caking agents: magnesium salts of fatty acids and silicon dioxide.
- **Ingredients Active ingredients**
  - Hop cone extract: promotes firmness and elasticity of breast skin.
  - Red clover extract: a natural source of isoflavones that influence the feminine figure.
  - Common buckwheat: promotes microcirculation and strengthens blood vessels, which can have a beneficial effect on the appearance and firmness of the breasts.
- **Instructions**: Take 3 capsules daily with plenty of water. Best results are achieved with regular use for at least 3 months.
- **Safety note:** Do not use if you are allergic to any of the ingredients. Do not exceed the recommended daily dose. This product is not suitable for pregnant or breastfeeding women.
