Producer code	**FETISHID-244349**
EAN	**5905669259040**

Product description

Experience incredible sensations and improve your sex life with **BiggerSize** Gel: support for strength, thickness, and intense sensations.

BiggerSize Gel is an innovative 2-in-1 solution that helps men who want to strengthen and thicken their penis, thereby increasing the intensity of sensations and self-confidence. Natural ingredients such as guarana, hops, nettle, and ginseng extract have been carefully selected to stimulate blood flow, improve circulation, and increase sensitivity. By acting directly on the skin of the penis, **BiggerSize** Gel improves the quality of the erection and prolongs the duration of sexual intercourse. The product provides silky hydration, eliminating the feeling of dryness and increasing comfort. Its versatility allows it to be used with condoms and erotic accessories, making it an ideal product for both everyday use and special moments with your partner.

TECHNICAL SPECIFICATIONS:

- **Product application:** Penis enlargement and thickening gel.
- **Ingredients**: Water, hydroxyethylcellulose, propylene glycol, glycerin, sorbitol, polysorbate 20, Paullinia cupana seed extract, Panax ginseng root extract, Humulus lupulus extract, Urtica dioica extract, vanillin butyl ether, sodium acetate, isopropyl alcohol, cellulose, sorbate Potassium, sodium benzoate, citric acid, flavoring, limonene.
- **Active Ingredients**
  - Guarana seed extract Paullinia cupana seed extract: Has a stimulating effect and possesses antioxidant and antibacterial properties. Contains a high concentration of caffeine, which helps improve blood flow to the penile tissues.
  - Ginseng root extract Panax ginseng root extract: Increases vitality, improves physical endurance, and promotes sexual health. Has a stimulating effect that helps achieve a stronger erection.
  - Hop cone extract Humulus lupulus extract: Has relaxing and stimulating properties. It helps protect cells from premature aging and has antibacterial properties.
  - Nettle extract Urtica Dioica extract: Has a stimulating effect on cells, has anti-inflammatory and wound-healing properties, and promotes skin regeneration.
  - L-arginine: An amino acid that supports nitric oxide production, which leads to blood vessel dilation and improves blood circulation in the penis, promoting erection.
- **Instructions**: Apply a small amount of gel to the entire penis and massage gently until completely absorbed. Use 1 or 2 times a day, preferably before intercourse or as part of foreplay. The gel is compatible with condoms and erotic accessories. Avoid contact with the eyes.
- **Safety Note:**Store in a dry place, away from direct sunlight and out of the reach of children. For external use. Avoid contact with the eyes. If skin irritation occurs, discontinue use. Before first use, test the product on a small area of ??skin e.g., the inside of the forearm.

MEDICA-GROUP

This is a company with extensive experience in the sale of dietary supplements and cosmetics, acquired since 1999. Our products meet all Polish and EU requirements, ensuring their highest quality and safety. We are known for using extracts with exceptional properties that distinguish our supplements and cosmetics from those of other companies. Thanks to our unique compositions and the highest concentrations of raw materials used, we can proudly say that our products are the best on the market.

Brand characteristics

Brand characteristics: selected MEDICA GROUP products available at Sforne with discreet delivery and clear product information.

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
