Product description

Experience maximum pleasure with **Fisting Strong**, a gel designed to relax muscles and increase the comfort of intimate moments.

Fisting Strong Gel is an innovative anal relaxation gel, created to increase comfort during intimacy. Thanks to its unique formula, based on carefully selected ingredients, the gel minimizes friction, eliminates the feeling of dryness, and reduces the risk of irritation. Its special formula relaxes the anal muscles, allowing for a smooth and comfortable experience. Lactic acid helps maintain a natural pH and promotes healthy bacterial flora, protecting against microorganisms. **Fisting Strong** acts as a versatile lubricant that increases pleasure for both beginners and experienced users. The product is condom-compatible and rinses easily with water, making it an ideal solution for daily use.

Anal Guide

Anal Lubricant Guide

Use plenty of anal lube – more than you think you need! Reapply frequently during longer sessions. Never use numbing lubes – pain is a signal to stop.

Our anal lubes are pH-balanced, hypoallergenic, and free from irritating ingredients.
