Product description

Discover maximum pleasure and intense sensations with **Orgasm Max For Women** Capsules, a supplement created with women in mind.

Orgasm Max For Women capsules are an innovative dietary supplement developed especially for women who want to improve their quality of intimate life and strengthen their vitality. They contain a unique blend of natural ingredients, such as maca root, tribulus terrestris, ginseng, and ginkgo extract, which strengthen the hormonal system, improve microcirculation, and increase sensitivity during sexual intercourse. Regular use of **Orgasm Max For Women** capsules helps intensify sensations and improve satisfaction in intimate life.

TECHNICAL SPECIFICATIONS:

- **Product application:** Supporting vitality and intensifying intimate experiences.
- **Ingredients**: L-arginine, maca root extract 4:1, ginseng root extract 4:1, gelatin, caffeine, maltodextrin, anti-caking agent: magnesium salts of fatty acids, color: indigo Carmine.
- **Active Ingredients**
  - L-Arginine: An amino acid that promotes blood vessel dilation, which can improve blood supply to intimate organs and heighten sexual sensations.
  - Maca Root Extract 4:1: Known for its libido-supporting properties and improving sexual function in women.
  - Ginseng Root Extract 4:1: A natural aphrodisiac that can increase energy, vitality, and improve blood circulation.
  - Caffeine: A stimulant that can increase energy levels and alertness, positively affecting sexual activity.
- **Instructions**: Take one capsule twice a day with a little water. Do not exceed the recommended dose. For best results, use regularly. This product should not be used by people allergic to any of the supplements ingredients.
- **Safety Note:** Store in a dry place, away from direct sunlight and out of reach of children. Product for internal use. Not suitable for children, pregnant women, or breastfeeding women. Dietary supplements cannot be used as a substitute for a varied diet.

MEDICA-GROUP

This is a company with extensive experience in the sale of dietary supplements and cosmetics, acquired in 1999. Our products meet all Polish and EU requirements, ensuring their highest quality and safety. We are known for using extracts with exceptional properties that distinguish our supplements and cosmetics from those of other companies. Thanks to our unique compositions and the highest concentrations of raw materials used, we can proudly say that our products are the best on the market.

Brand characteristics
