Product description

WinWoman Gel is an innovative product designed for women who want to enhance intimate sensations, improve hydration, and strengthen blood flow in erogenous zones. Thanks to its carefully selected active ingredients, the gel works immediately, increasing the intensity of sensations and sensitivity to touch.

WinWoman Gel is a unique formula that combines ingredients with stimulating and moisturizing effects, providing exceptional experiences during intimate moments. The gel absorbs quickly, leaving no sticky layer, and its pleasant consistency increases comfort. Thanks to caffeine and ginseng extract, **WinWoman** Gel stimulates microcirculation, increasing blood flow to erogenous zones and intensifying sensations. Additionally, aloe extract soothes and moisturizes the skin, providing long-lasting comfort and protection against irritation.

TECHNICAL SPECIFICATIONS:

- **Product Application:** Intimate gel for women that increases sensitivity and hydration.
- **Ingredients**: Water, hydroxyethylcellulose, propylene glycol, glycerin, sorbitol, polysorbate 20, Paullinia cupana seed extract, Panax ginseng root extract, Humulus lupulus extract, Urtica dioica extract, vanillin butyl ether, sodium acetate, alcohol Isopropyl alcohol, cellulose, potassium sorbate, sodium benzoate, citric acid, flavoring, limonene.
