Product description

Metalhard stainless steel nipple torture clamps are designed to gradually stretch the nipples. Using Japanese clamps (also called butterfly clamps or clover clamps) and a wing nut you can stretch your submissive's nipples in preparation for other punishments. They can be individually regulated to increase or decrease the damage inflicted on the nipples. It is a very cruel and original device, perfect for anyone who wants to experiment with nipple torture.

This bondage device for nipple torture cannot be missing in the most demanding dungeons.

- Includes 1 Unit with extender up to 6 centimeters

Metal Care

Care & Cleaning

Metal toys can be washed with soap and water, boiled for 5 minutes, or wiped with a 10% bleach solution. Avoid dropping - metal can chip or dent.

Store separately from other toys to prevent scratching.
