Product description

This uniquely female stainless steel slave collar can be worn as a symbol of submission, or as a sexy accessory for your club outfit, fetish outfit, costumes, etc. It is lightweight, has smooth edges.

With a classic shape that is narrow on the sides but long and pointed at the front, there is an antique look of power to this necklace. The chrome-plated brass gives it an attractive yet lightweight look as it wraps around the neck and highlights the features of the upper body, making it ideal for use at any time.

Hinges on the sides that also open outwards allow you to easily snap it on and off, while the back has a padlock-sized hole to make sure the collar stays on for as long as you want.

You can choose to attach a leash or anchor to the ring hanging from the dimpled center piece at the front, so this is a necklace that truly rules.

- Inner diameter: 12.5cm
- Padlock and keys included
