### Product description

This stainless steel submission collar can be used as a symbol of submission or as a magnificent accessory to wear in costume or other fetish play. It's sexy and versatile. This chrome necklace is designed especially for men with curved edges.

With a glossy finish, it also serves as a super resistant mirror. It incorporates a closure so that a padlock can be added and on the front, it has a ring to attach chains, ropes, handcuffs...

- Inner diameter: 12.5cm
- Padlock with keys included
- Presented in a cloth bag

### Collar Guide

#### Collar Guide

Measure neck circumference before ordering. Leather collars soften with wear. Metal collars require a hex key or screwdriver for removal.

Never leave a locked collar on during MRI or other medical procedures.
